**COMMENTS OF TEMPEST COMMUNICATIONS**

Tempest Communications ("Petitioner"), by its attorney, hereby submits comments in support of the allotment of Channel 226A at Coosada, Alabama, proposed in the Notice of Proposed Rulemaking released on March 4, 2005 (DA 05-575). In support hereof, Petitioner states as follows:

1. The proposal would constitute a first local service to Coosada, a Census community and incorporated town of 1,382 persons. As the Notice points out, Channel 226A can be assigned to Coosada consistent with the Commission's rules with a site restriction of 4.3 kilometers east of Coosada.

2. If Channel 226A is allotted to Coosada, Tempest's present intention is to file an application for a construction permit for a station on the channel, and if successful in securing the construction permit, to promptly construct a station on the channel.
